

**Comments from:** Oxford Green Belt Network

**Section B**

Oppose  
Chap 22(5)

**Section C**

We question how it will be possible to ensure the balance of jobs and houses can be improved in Oxford with the emphasis placed on increasing economic activity rates in Oxford and on the allocation of new land for such activity.

**Section D2**

Delete “particularly in Oxford City” from fifth bullet point.

Delete “or undermine opportunities ....southern urban area”.
